

## Solution for ready-made cables

FLine® device cup (dual)

FLine® device cup (triple)

FLine® adjustable cable strain relief

### Product description:

- For taking up the mounting plates for fibre optic couplings
- For Ackermann floorboxes GES 6

Article number: 9ZE60001

### Product description:

- For taking up the mounting plates for fibre optic couplings (as in examples on top right)
- For Ackermann floorboxes GES 6

Article number: 9ZE60002

### Product description:

- For up to 9 individual cables

Article number: 9ZE60004

FLine® mounting plate

FLine® mounting plate

### Product description:

- For up to 4 x SC-Duplex couplings

Article number: 9FZZ0038

### Product description:

- For up to 4 x LC/Duplex and/or 4 x E 2,000 Simplex

Article number: 9FZZ0079

## Floorbox solutions for splices (pigtails)

FLine® cable management module

FLine® splice tray with splice holder

### Product description:

- For storing the wires and for the strain relief of the fibre optic cables

Article number (GES 9): 9FZZ0080

Article number (GES 6): 9FZZ0018

### Product description:

- For 12 x splice protector

Article number (GES 9): 9FZZ0081

Article number (GES 6): 9FZZ0082
